Volunteers:

- The ReStore had **25** different volunteers work **77** shifts. We did add **6** new volunteers.
- Approximate Volunteer time spent in the ReStore this period of time: **181** ***Hours.***
- We haven't had as many consistent Homebuyer families as volunteers as in previous years.

Donations

- We had over 135 donations. All but **5** donations were from individuals.
- Over **55** donations were anonymous and **37** were repeat donors.
- The ReStore Truck picked up **7** different donations.

Personnel

- **Staff –** Tony Chaulk started the first week of August as the ReStore Manager, and Buck Vivian is no longer with the ReStore.
- **Volunteers –** Along with our regular volunteers, Chris Wykoff, Dave Molner, Vanessa Ward and the Mosaic crew, we were blessed to add Doug Beaman as a new volunteer for 2 weeks in August and for the month of September. Doug is working through a work injury and is on light duty from his employer who is paying him to work at the ReStore full time.

Highlights

- With a few exceptions, ticket counts, sales and donations are down, although we continue to get some awesome donations from Champion Homes in York and Bonnavilla Homes in Aurora. Champion donated 9 new water heaters which were all sold in less than 24 hours.
- We could really use another big paint donation. We are at the end of the large Benjamin Moore donation from one year ago. People love when they can purchase an $80.00 gallon of paint for our price of $15.00. Sherwin Williams continues to tint the donated paint at no cost to our ReStore customers.
